Assignment 01

How did the ideology that dominated the Indian subcontinent fail to provide the material and spiritual demands of the Muslim population, causing the idea of a separate nation to emerge? (Max. 500 words)

Guidelines:

- Analyse the dominant ideology that developed in the Indian subcontinent and ultimately led to failure over a period of time.
- Critically explore and evaluate the factors that contributed into creating and developing the sense of separateness in the Muslims of the Indian subcontinent.
- Research the topic thoroughly before writing your assignment.
- Give proper references, where necessary.
- The assessment should contain credible facts and figures supporting your arguments.
- Avoid biased and stereotypical statement. Academic writing will be appreciated.
- The assessment must not be more than 500 words.
- Plagiarised/AI-generated content will not be accepted. Copy/Paste will lead to rejection of the assessment.
- Both typed and legible handwritten assignments are acceptable, but only in hard form.
- The deadline for submission is **Thursday 14th September, 2023 before 04:00 PM**. Late submission is not acceptable.
- The title page must contain Roll. No, Full Name, Name of Course, Title of Assignment, Program of Study and Section.
